

The People!

The people that was working on this assignment is **Lydia Lindberg, Pernilla Lindkvist, Ioannis Bismikopoulos** and **Geovent R. Nakate**. We have all been contributing and discussing the assignment together from the start until the end and we had our main responsibilitys, but we were all part of each others work all the time, and we did all the changes and decision together. When we needed to deal with issues in our responsibilitys we were just calling each other and talked it through until we had find a solution on the problem.
